FUTURE SHORTS Copenhagen lanceres i Gloria Biograf d. 16 maj 2006 kl. 20.30

FUTURE SHORTS bringer et mix af specielt udvalgte internationale og danske kortfilm, præsenteret i en atmosfære som er genskabt fra den tidlige filmperiode. Kunstinstallationer vil være udstillet i biografens foyer. Film, kunst, musik og performere vil tilsammen give publikum oplevelsen af en multi sensory happening.

Ved denne første FUTURE SHORTS event i Danmark vil Martin de Thurah være tilstede for at vise nogle af hans musikvideoer og indgå i et panel sammen med Katrine Talks. Vi viser film af Mike Leigh og flere Bafta-vinderer. Blandt andet Daniel Mulloy's. 'Antonio's Breakfast. 'Le Cheval' er også på programmet. 'Le Cheval' er en fantastisk komedie, lavet af et engelsk team som vandt BBC New Talent 2005.

FUTURE SHORTS konceptet er udsprunget fra London i 2003 som siden har bredt sig ud over hele verden med stor succes.
